

## **CHAPTER V**

### **CONCLUSION AND SUGGESTIONS**

#### **5.1 Conclusion**

The internship that the Writer had at MI Wahid Hasyim 02 Dau has been a rewarding and insightful experience that has opened my eyes to several aspects of the field of education. During this time, two major issues occurred that called for careful analysis and prompt resolution.

#### **5.2 Recommendations**

- a. Implement comprehensive assessments, including initial tests and observations, to identify individual strengths and weaknesses in language proficiency.
- b. Diversify learning materials and engage in interactive activities, fostering parental involvement for a more enriched learning experience.
- c. Conduct targeted workshops on effective teaching practices and assessments, emphasizing strategies for nurturing positive student behavior
- d. Establish mentorship programs to facilitate knowledge-sharing and create a collaborative culture among educators.
- e. Enhance teacher training programs with modules focusing on effective assessments and strategies for promoting prosocial behavior.
- f. Establish continuous feedback channels to foster a supportive environment and encourage open communication.

- g. Introduce systems to acknowledge educators fostering positive behavior, promoting a culture of continuous improvement.
- h. Develop a Code of Ethics and establish sanctions for violations to reinforce ethical standards.

### **5.3 Future Collaboration and Recommendations for Universitas Machung**

#### **To strengthen ties with MI Wahid Hasyim 02 Dau:**

- a. Exploration and Digital Adoption: Encourage mutual exploration of facilities and the adoption of digital tools for a tech-savvy learning environment.
- b. Seminars and Workshops: Promote regular seminars and workshops for knowledge exchange and enhancement of teaching methodologies.
- c. Emphasize fostering harmony through joint cultural events, collaborative projects, and cross-institutional activities.
- d. Explore digital partnerships for collaborative projects or joint research initiatives.
- e. Encourage joint efforts for community development through collaborative outreach programs and social responsibility projects.

### **5.4 Final Thoughts**

In conclusion, the internship has been a transformative experience, offering insights into the challenges and opportunities within the educational setting. By implementing the recommended strategies and strengthening collaborations, we can collectively contribute to a more dynamic, inclusive, and effective educational

environment at MI Wahid Hasyim 02 Dau. This journey serves as a foundation for continuous improvement and innovation in the realm of education.
